A Story of Love, Deceit and Gambling

ORR Drama Club to Stage "Guys and Dolls"

Old Rochester Regional High School's Drama Club Director Paul Sardinha had to smile when asked about his latest stage production. "It's basically a story about gamblers, strip tease dancers, and holy rollers," he said, "and the eventual entanglement of all three."

That description befits only one classic Broadway musical — that of "Guys and Dolls" — which the ORR Drama Club students will present under Mr. Sardinha's direction on March 30, March 31 and April 1 at 8:00 pm, with a matinee performance slated for Saturday, April 1 at 2:00 pm.

Although the production involves a great deal of choreography and musical numbers, the students were able to easily grasp the nuances of the performance with Mr. Sardinha's capable guidance. Having previously directed ORR Drama Club productions of "Grease," "Arsenic and Old Lace," "Oliver!" and "A Christmas Carol," Mr. Sardinha was well-prepared to face the challenges and innovations of "Guys and Dolls."

One of these innovations includes the first-time use of a *passerelle*, a walkway extension of the stage which essentially serves two functions. "It helps to bring the action closer to the audience and also closes in the orchestra pit," Mr. Sardinha said. The triple walkway extends from the front of the stage and allows the actors and actresses to stroll and dance along in front of the audience.

For ORR Drama Club publicity coordinators Louise and Malcolm Campbell, working with Paul Sardinha and the students at ORR has been wonderful. This production will be couple's final tour of duty with the Drama Club, and for them it's somewhat bittersweet.

"We've been working with (the Drama Club) for four years now," Ms. Campbell said. "It's been a

lot of fun ... but now that our last child is graduating, it's time to move on."

The cast for "Guys and Dolls" will include some 65 ORR High School students and will feature a twelve-piece orchestra under the direction of Steve Rogers. The principal actors include Zachary Souza as Nathan Detroit, Nichole Beaudry as Miss Adelaide, Patty Harrington as Sarah Brown, and Jon Michaud as Sky Masterson. The principal understudies are Nathan Ryder (Nathan Detroit), Katy Clark (Miss Adelaide), and Marci Galvin (Sarah

Mattapoisett Selectmen's Meeting

March 21, 1995

By Mary Beth Redman

A meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, March 21 at 7:00 pm by Chairman John N. DeCosta, Jr. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Executive Secretary Carol J. Adams.

At 7:00 pm, the board met with the Senior Center Advisory Committee. Chairman DeCosta suggested that the committee write up a questionnaire. The survey would help the committee assess the town's needs. Selectman Mahoney agreed this would be a beneficial project.

After the Selectmen signed the warrant, licenses, permits, and correspondence for the week, the following meetings were cited by Chairman DeCosta:

- Thursday, March 23 at 5:00 pm — SRTA Meeting.

- Thursday, March 23 at 7:00 pm — Mattapoisett School Building Needs Committee at the Selectmen's

Office.

Chairman DeCosta next cited the following incoming correspondence for the week:

Tibbetts Engineering Corporation confirmed a meeting on March 28, for an update on the progress of North Street.

Patricia Farrell, Government and Community Relations Manager at Continental Cablevision, related information on their new On-Time Guarantee program which was launched March 1. The company guarantees on-time installation appointments or the installation is free, and on-time service calls or the customer receives \$20.

The minutes of the Marion/Mattapoisett/Rochester Housing Co-op meeting of February 27 were received for the board's files.

District Highway Engineer Bernard McCourt submitted correspondence reminding the town that all projects funded by the Massachusetts Highway Department shall be designed and constructed in compliance with proper specifications.

Old Colony Regional Vocational Technical High School submitted their 1995-1996 Tentative Operating and Maintenance Budget. Mattapoisett's current share is \$43,462.48 if student enrollment stays the same.

Chairman DeCosta and Selectman Mahoney attended the Mattapoisett School Building Needs Committee meeting on Saturday, March 18. The Selectmen discussed the fact that there would be no state funding for at least six years, and due to upcoming changes in laws there could be less money coming from the state than expected.

Selectman Mahoney brought up the fact that the student population is growing and more classrooms would be needed before state aid would be available.

Therefore, discussions focused on the expansion of Old Hammondtown School through town funding.

At 7:30 pm the board appointed Eleanor C. Lewis as Mattapoisett's representative to the Old Colony Regional Vocational Technical High School Committee.

The board approved placement of a dumpster at Romeo's Package Store. The contractor must place the dumpster on the property near the rocks. He must also agree to repair the sod after the building has been demolished.

The Board of Appeals is seeking Mattapoisett residents to consider joining them. The board is very interested in acquiring new members. If you are interested in serving on the Board of Appeals, please send a letter to the Board of Selectmen c/o Town Hall.

At 8:00 pm, the board went into Executive Session to consider ongoing police contract negotiations. Upon completion of that business, the board would adjourn for the evening.

Marion Selectmen's Meeting

March 21, 1995

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, March 21 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectman Jonathan "Jody" E. Dickerson, Selectman Albert E. Winters, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

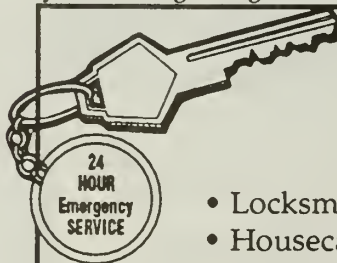

After approving the minutes of the March 14 meeting and signing treasury warrant #38 for the week, the board unanimously voted to sign a verification of the town's summer population at 7,500 for the Alcohol Beverage Control Commission (ABCC) to use in determining the sale of alcoholic beverages. The board also unanimously approved a seasonal wine and malt beverage sale permit for Harriet's Restaurant.

The board unanimously voted to grant a special license for a dance sponsored by the Friends of the Music Hall to be held on Saturday, April 8 from 8:00 pm to 12:00 midnight at the Music Hall. The event is expected to draw 150 people.

The Selectmen next unanimously voted to re-appoint the following members to the Board of Fire Engineers, with a term to expire April 30, 1996: George D. Jenney, C. Robert Davis, Richard Guerzoni, Theodore Laycock, and Peter Robertson.

Selectman Winters next noted that he had contacted Continental Cablevision to discuss some of the other options which the residents of Indian Cove raised at last week's meeting. As he was still waiting for a response from Continental Cablevision, he asked that the board postpone their planned vote on the matter until next week.

Under incoming correspondence for the week, Chairman Schaefer noted receipt of a letter from Bruce and Joyce West regarding the cutting of shade trees in town.

The letter was sent as a Letter to the Editor of *The Sentinel*, and stated: "When citizens cut down trees in Marion which lie within 40 feet (20 feet on either side) of the median line, these people are, for starters, breaking the law."

Mr. and Ms. West noted that with a functioning Tree Committee in place and a capable Tree Warden on duty, there is no reason why people can't contact them to find out which trees can and cannot be trimmed and/or cut. "Before we think about destroying what nature so generously has offered us, the least we can do is check with the Town Hall," they wrote.

The board next received notification from the Department of Environmental Protection (DEP) that a final

inspection of the East and West Pumping Stations located on Marion Road in Rochester had been completed and the facilities may now be put into full operation.

The First Congregational Church next requested the use of Island Wharf Park for its annual Children's Day Family Picnic to be held on Sunday, June 11 between 11:00 am and 3:00 pm. Mr. Pickles noted that there were no other events slated for that date, but the church should be sent a formal application to submit for this purpose.

Police Chief Brian J. Scott next sent a memo informing the board that on March 30 the officers of his department will be fitted for new bullet-proof vests. Although a grant has been awarded for the purchase of these vests, the town will have to pay for them up-front and later be reimbursed when the grant monies are allocated. Chief Scott has requested a transfer from the Finance Committee (FinCom) for this purpose.

Chief Scott also advised he is aware of a \$20,000 grant which is available to allow the department to upgrade their computer software. However, an initial \$5,000 must be appropriated up-front before they can receive any grant monies. As such, Chief Scott is also pursuing this matter with the FinCom.

At 7:20 pm, the board met with David Sampson, the Superintendent-Director of Upper Cape Cod Regional Vocational-Technical High School, and the Finance Committee to discuss the proposed fiscal 1996 budget for the

school. Mr. Sampson noted that enrollment this year was about the same for Marion, but overall has increased. They are also planning to add some new programs and expand several existing ones. "We're looking at focusing a little more strongly on where the students can get their career opportunities," he said.

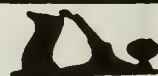

Mr. Sampson presented a total proposed budget of \$81,216 as Marion's share of the regional high school. With a current enrollment of 12 Marion students out of a total 450, the final figure was based on a net contribution of 2.67 percent and a capital budget assessment of 4.37 percent. The final figure was based on a formula as set by the Education Reform Act of 1993. The requested amount is \$8,926 higher than last year's assessment of \$72,290.

Mr. Sampson cited a decrease in state aid — about \$30,000 less than last year — and an increase in overall enrollment as the reasons for the increase.

Before departing, Mr. Sampson also informed the Board of Selectmen and Finance Committee that they will be looking at making some capital repairs next year somewhere between \$1.3 and \$1.5 million. These repairs, which will be paid for via a bond issue as voted on by all five towns, would include repair/replacement of the roof, repair of heating system, and making the facility handicapped-accessible to meet the requirements of the American Disabilities Act (ADA).

Mr. Pickles submitted a draft copy of the upcoming

Annual Town Meeting warrant to the board for their review. He asked that they consider the proposed override articles and be prepared to vote on them at next week's meeting.

Selectman Dickerson said he had received calls earlier in the day regarding the 151 Howitzer gun monument which had been removed from its longtime location outside of the Music Hall on Spring Street. "The Howitzer has been removed by members of the Marion VFW (Post 2425)," Selectman Dickerson said. "It does belong to the VFW, and they decided to move it to (their pavilion on) Route 6. I was told it wasn't a decision of the whole VFW, however, only a select few."

"I'm very sorry to see it go," Selectman Winters said. "I know it's been a fixture in the center of town for so long ... it will be missed."

Chairman Schaefer, however, noted that the Civil War soldier monument does belong to the town and will not be moved from the site.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:15 pm.

Rochester Selectmen's Meeting

March 20, 1995

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, March 20 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley Ferreira.

After approving the minutes of the March 13 and March 14 meetings of the board, the Selectmen met with Bette Harte to discuss plans for the 1995 Annual Rochester Memorial School Family Fun Run, to be held on September 30. Ms. Harte was in to ask the board's authorization to hold the event again this year and also for their assistance in getting streets cordoned off. The board unanimously voted to approve the event for the specified date and informed Ms. Harte that she can contact Police Chief Walter V. Denham to discuss the race route and the necessary traffic detours.

Under incoming correspondence for the week, the board received a check from SEMASS in the amount of \$148,172.58, representing payment for the month of February and including a retroactive payment for January's inflation rate. In addition, Continental Cablevision sent a check in the amount of \$526, representing the company's annual franchise fee for 1994 at a rate of 50 cents per subscriber.

(MIFA) sent notification to the board that preliminary approval was given on March 2 for the revenue bond project on behalf of the Rochester Environmental Park, whose principals are Louis Gallo and John Gallo. The project will entail the purchase of 68 acres of undeveloped land in Rochester where a Demolition Recycling Plant will be constructed to serve southeastern Massachusetts. The total project cost is estimated at \$3,936,000 and the approved bond is \$3,300,000.

The Conservation Commission also submitted a copy of the letter they sent to the Town of Marion regarding a recent wetland violation. According to the letter from Regional Conservation Agent Laurell J. Farinon: "An electric conduit was recently installed by the Town of Marion DPW in the roadway layout of Mary's Pond Road. This work was conducted directly adjacent to a wetland resource area classified as bordering vegetated wetland. We had not received any notification prior to this work being done, nor have any record of a formal filing."

Last week, Conservation Commission advisor Georgia Chamberlain went before the Marion Board of Selectmen to advise them of this matter, at which time they agreed to file an after-the-fact Notice of Intent for the work done.

Under incoming notices for the week, Chairman Hughes cited a Public Hearing which will be held at Old Colony Regional Vocational Technical High School on Wednesday, March 29 at 7:30 pm to discuss the school's tentative budget, and also cited the Annual Herring Meeting which will be held on Thursday, March 30 at 7:00 pm in the Mattapoisett Selectmen's Office.

The board then signed and unanimously approved the warrant for the upcoming Town Election to be held on April 12; a \$1,500 transfer into the Wiring

Inspector's account for past inspection fees; a \$500 transfer for the Inspector of Animals to cover cost for shipping specimens to a rabies lab; and agreed to pay a total of \$728.81 in Fire Department bills for various utilities and expenses.

Under Old Business, Chairman Hughes informed his fellow board members that he met with members of the Fire Department last week, and after giving them the option of selecting a candidate to take over the Fire Chief's position, they agreed to recommend two names and have the Board of Selectmen decide which will be appointed with assistance from two area Fire Chiefs. However, Chairman Hughes said he had a problem with them narrowing down the selection. He would rather choose

from all the interested candidates.

"I think we should be able to make our choice from the entire selection," he said. "So we discussed it further, and they agreed to take a total vote of the department from among all the candidates."

But Selectman Murphy said he thought they should be looking at all the candidates and make a decision based on qualifications and ability to meet the job requirements. "I don't mind (the department) making suggestions, but I think we should base our final decision on who's the most qualified," he said.

Selectman Hawkes felt the department was hedging on choosing a predecessor to Fire Chief Joseph "Duffy" Clapp, whose appointment is up for renewal on April 30 although he still hasn't formally resigned his position. "The (Fire Department) better make up their mind on what they want to do," she said. "I think we should request something from them in writing stating exactly how they want to handle this. And I think everyone should vote on how they want to proceed."

With that, the board unanimously voted to send a memo to the Fire Department personnel asking that they formally submit a written decision to the board on how they would like to select someone for the Fire Chief's position.

At 7:30 pm, the board reopened the Earth

Removal Permit hearing on behalf of William Milka for property located off New Bedford Road. Chairman Hughes noted that the board had prepared an Earth Removal Permit with some 20 stipulations which the developer had to meet in order to commence work on the property.

"We kept everyone's suggestions in mind after the last meeting, and we've put these stipulations into the Earth Removal Permit," he said.

Among some of the more poignant points: the operation is limited to the removal of 87,000 cubic yards of earth under Phase I, and 65,400 cubic yards under Phase II; a \$13,860 bond must be posted by Mr. Milka for the project; operation hours will be limited to Monday

through Friday, 7:00 am to 4:30 pm and no work will be allowed on weekends or holidays; catch basins will be cleaned by the licensee and dust control will also be under his jurisdiction; any abutter within 1,000 feet of the project shall have their wells tested at the expense of the licensee; "trucks entering/exiting" signs are to be posted at the entrance to the property; and no surface wells shall be dug below elevation zero unless it is a driven well.

Despite the numerous stipulations placed within the Earth Removal Permit, however, many residents were still concerned about the potential dangers of chemicals used in the cranberry bogs and the fact that increased traffic may cause problems.

"I understand that it can take up to seven years to trace any chemicals in water," said Janet Gauvin. "How can we protect ourselves once the project is over and done with? You can't guarantee that, can you?"

Cranberry grower Georgia Chamberlain reiterated the fact that the chemicals used on the bogs are all approved by the Environmental Protection Agency (EPA) and must be applied by a licensed professional. "All the water and related chemicals used in cranberry bogs need to meet strict Department of Agriculture and EPA standards," she said. "You have to remember that this product is grown for human consumption."

The board also asked Mr. Milka if he would go through the Conservation Commission although it is not a requirement of the project as proposed. "We don't mind doing that," said William Madden of GAF Engineering, who was representing Mr. Milka. "In fact, we will even go a step further and apply for a formal Request for Determination from the ConCom."

But many of the residents were still concerned that

the bogs would damage the area's natural resources and water supply. "I think this meeting has been very biased," said Joan Plaud. "We already have too many cranberry growers and I think everyone (in the area) and everyone in Marion should be notified of this project."

Chairman Hughes noted that the Town of Marion had been notified and a representative was present at the last meeting. He also added that the area has been zoned for both agricultural and residential use and, as such, the board couldn't really stop Mr. Milka from proceeding with the project. Their only function was to ensure that certain stipulations are met while the project is excavated.

there's really not much we can do," he said.

Before closing the hearing, a petition signed by 21 abutters was presented to the Board of Selectmen, stating they had "serious concerns and reservations" about the project and asking that the Earth Removal Permit request be appealed.

The board unanimously voted to approve the Earth Removal Permit with the added stipulations pending a copy of the Request for Determination from the Conservation Commission.

There being no further matters to come before the board, they voted to adjourn for the evening at 8:35 pm.

Letter to the Editor

To the Editor:

I'm suggesting to Mattapoissett voters that on election day they get on their Mark, get set and go with this young man for Herring Inspector.

Mark Hartley, 32, of Mattapoissett comes from a long line of people identified with the Mattapoissett River and preservation of its herring and other wildlife.

An ecologist from the word go, he doesn't want to see herring go the way of so many other species of fish, facing depletion because fewer and fewer are kept from propagation.

Rules in place for removal of herring from the river haven't always been adhered to and, in some case, reportedly ignored to an extent where the number permitted to swim up river to spawn could measurably

Beauty Craft. The Board has conducted a preliminary study to assess the degree of agreement with our objective and the amount of financial support that is out there. In the near future, they will launch a broad-based community fund drive — The Sippican Historical Society Capital Campaign — to purchase, preserve, and endow the entire building.

June Converse, one of the founders of the Sippican Historical Society, bequeathed the house museum section of the building to the Society at her death in 1983. In 1995, the Society proposes to buy the remaining sections from her grandsons. The Capital Campaign Committee will be chaired by Peter Converse, Ms. Converse's son, with David Arms as co-chairman.

The Sippican Historical Society appreciates the Converse brothers' stewardship of this important historical building and pledges to carry on their family's tradition of concern and care for the village of Marion.

Lions Club Senior Luncheon

The Mattapoisett Lions Club will once again be inviting all senior citizens from Mattapoisett to be their guests at a luncheon to be held on Saturday, April 1 at the Mattapoisett Congregational Church. The luncheon will begin at 12:00 noon and will include a complete roast turkey dinner and live music.

Hopefully, this will be the biggest turnout yet. For

Lyme Disease Talk

A group of more than 50 people in Old Lyme, CT
— many of them children — developed a mysterious
disease in 1975 that resulted in inflammatory arthritis. The
cause of the disease and the mode of transmission were
eventually identified as tick-transmitted, specifically the
deer tick. Named Lyme Disease after the town, it had been

RECYCLE ANTIFREEZE/COOLANT

Cars and Trucks

- Cooling System is back-flushed, and scale and suspended matter are filtered out.
- Toxic dissolved metals are changed to oxidized, harmless solids and filtered out of the system.
- KLEEN KING additives adjust the pH to a safe range (between 9.8 and 10.5) and add the needed inhibitors.
- Freeze/overheat protection is adjusted (10-34°F freeze point, 265°F boiling point) by adding a small amount of new antifreeze.
- The result is recycled antifreeze that meets or exceeds ASTM Standard 3306 for antifreeze performance and protection.

All this is done in less than 30 minutes.

previously reported in Wisconsin and Europe, although the causative agent was not determined until after the Connecticut outbreak.

In humans, Lyme Disease causes a variety of symptoms including headaches, fever, general malaise, a characteristic red rash, and arthritis. If left untreated, Lyme Disease can result in heart damage and damage to the nervous system. Anyone who spends time outdoors may develop Lyme Disease; however, it is preventable and easily treatable when detected in its early stages.

The Marion Natural History Museum will be hosting a program titled "Lyme Disease and its Prevention," given by Dr. Philip Malloy of Jordan Hospital on April 5 from 7:30 to 9:00 pm. The program is FREE and open to the public.

Geography Workshop

Join workshop leader Mary Ellen Sorrensen, educator and National Geographic trainer, as she guides us on an exploration of this vital subject along with relevant geographic topics on April 8 from 9:30 am to 1:30 pm. This workshop is appropriate for primary and elementary educators and all interested parties. Mary Ellen is a vibrant presenter who, in addition to the knowledge she imparts, will provide each participant with activities and materials to use in the classroom and a packet from National Geographic containing a teacher's guide and educational posters reflecting the wilderness theme. A signed certificate of attendance for your recertification portfolio will be presented by the Museum. Participants should bring their own lunch. Cost is \$30 per person. Participants must pre-register by calling 748-2098 or 758-9089. There is a minimum of 10 people required to hold the course.

CLOSING AND THE SELLER

If you are about to close the sale of your home, there are steps you should be aware of to make the closing as smooth as possible.

Normally, you and your attorney will be responsible for drawing the new deed and bringing this document to the closing. The purchase of tax stamps may also be necessary. You will need a copy of your most recent tax bill, which should be receipted if it has been paid. If the insurance or mortgage is to be assumed by the new buyer, you will need these payment books, policies, etc.

When the sale involves

income, as for rental properties, the seller should bring leases, rent schedules, escrow statements for deposits held and a letter to be sent to tenants notifying them of the ownership change. Of course, you would also bring keys, garage door openers, and the like to the closing.

If you choose our agency to handle the sale of your home, you'll be sure that all the bases will be covered. Then you can walk out with cash in hand and celebrate.

Call Fisher & Rocha today with any of your Real Estate questions or needs, we're here to help!! 758-6738.

Scrimshaw Talk

On Saturday afternoon, March 26, at 2:00 pm, Ms. Nancy Thornton of the New Bedford Whaling Museum will present an illustrated talk on the art of scrimshaw at the Mattapoisett Museum and Carriage House, 5 Church Street, Mattapoisett.

Whaleships out of the New Bedford area brought back not only whale oil and whale bone, but a characteristic hobby — that of "scrimshaw" — the folk art of the American whaler. Scrimshaw includes not only the decorative carving on sperm whale teeth, but also the more functional items such as rolling pins, jaggings or crimping wheels, clothes pins, and the like.

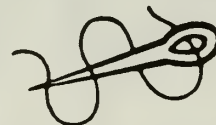

If you have items of this art form and would like to bring them along to share with others, please do so. This program is open to the public (\$2 admission fee for non-members).

Upcoming Events

On April 18 at 7:30 pm, Seth Mendell will present a discussion on "Shipbuilders and Shipbuilding in Mattapoisett."

On May 21 at 2:00 pm, the museum will present "Stories in Stone," a lecture by Bette Roberts on who's buried in Hammondtown Cemetery. This lecture and tour

support," said Ms. Marcoux in a letter to parents this week. In addition, the drive will offer specific educational opportunities to classrooms — first graders might count and add the number of foods their class collects while fourth graders might write about the history of grain. Classes would give their work to Ms. Marcoux, who will collect their efforts in a newsletter.

That newsletter will be entered for the \$1,000 prize offered by the Wheat Foods Council for the most creative educational initiative. If the district wins the prize, it will be given to two area families with children who have special medical needs at this time, said Ms. Marcoux.

The Wanderer Keel Award

The Wanderer is currently soliciting nominations for the second annual "Wanderer Keel Award."

The annual honor — which is presented to one resident from each of the three towns — will be announced in our May 12 issue, and each of the winners will be the subject of a feature story highlighting their contributions to the local community. But *The Wanderer* needs your help in selecting these "unsung heroes."

The requirements are simple. Nominees must be legal residents of Marion, Mattapoisett, or Rochester (at least five years), and must have contributed in some way to the overall benefit of the community — either directly to town residents, or indirectly through their efforts in

promoting town activities, or working to keep the wheels of local government well-oiled. The only restriction is that these persons cannot personally benefit from their efforts in any way — either financially or politically.

In doing this, we hope to applaud those who are rarely recognized for their countless hours of service and focus on the many people "behind the scenes" who remain otherwise anonymous but provide crucial support to many town functions.

Like the keel of a ship, which keeps the vessel from capsizing, the three recipients of the Annual Wanderer Keel Award will be recognized for their stalwart efforts in keeping the local community on "even keel."

Last year's recipients were: Maurice "Mudgie"

Tavares (Mattapoisett); Claire Russell (Marion); and Joseph McCarthy (Rochester).

Please send the name, address and telephone number of recommended nominees, along with a short description of their key contributions over the past year, to: Keel Award, *The Wanderer*, P.O. Box 102, Mattapoisett, MA 02739. Deadline for nominations is Friday, May 5 at 12:00 noon. Recipients will be contacted by phone on Monday, May 8 prior to publication in the May 12 issue.

Staff members of *The Wanderer* and employees of Wanderer Communications are not eligible for consideration.

Mattapoisett Town Clerk

Absentee Ballots

If you are unable to cast your vote in person at the polls on Tuesday, April 4 between 10:00 am and 8:00 pm, you may vote absentee. Absentee ballots will soon be available in the Town Clerk's office to vote in person, or you may file an application and an absentee ballot will be mailed to you.

Dog Licenses

April 1 is fast approaching and all dogs should have their new 1995 licenses on or before that date.

Dinghy Haul Out Stickers

If you wish to utilize the gravel area near the boat ramp at the town wharf, you will need a 1995 Boat Sticker for your dinghy. They are now available at the Town Clerk's office.

**We thought the
nursing home was
our only choice.**

Last year was not one of my mother's best. She was living in an apartment, not far from here. She couldn't get out much and needed some help to keep living on her own. We started looking at nursing homes. We didn't want to but we didn't know we had a choice.

Then we heard about the Friendly Harbor Adult Day Health Center.

They have all kinds of social activities for people like my mother - all important health care services too. The Day Health program is Medicaid approved and wheel-chair accessible. They pick my mother up every morning and drop her off in the afternoon.

My mother is still on her own now - living free and easy thanks to Adult Day Health Care. The staff and participants invite you to come and visit. They will arrange a free day and transportation if you need it. Just call them and ask for Jenifer or Jacqueline.

Communion service in the Chapel continues and the Inquirer's Class at 4:00 pm.

On Sunday, April 2, Holy Communion will be held in the Chapel at 8:00 am. At 10:00 am there will be a Celebration of Commitment to the Christian Service. Carol Blanchard is to be commissioned for her mission to Portugal which begins very soon.

Adult Education continues after the 10:00 am service and there will be a Youth Fellowship meeting at 6:00 pm.

Events on Wednesday, April 5, besides the noon Holy Communion and 4:00 Inquirer's Class, will include the 6:00 pm gathering of the Gabriellas at Connie Whalen's home.

Also on April 5, an Ecumenical Easter Service is to be taped at St. Gabriel's by Television Channel 8 (Bay 8). Both the Junior and Senior Choirs will participate.

Rabies Clinic in Rochester

A Rabies Clinic will be conducted in Rochester on March 26 from 10:00 am to 1:00 pm at the Grange Hall. The cost is \$8 per animal, and all town residents are urged to bring in their pets.

Chicken Pie Supper

The Marion United Methodist Church will be conducting its annual Chicken Pie Supper on Saturday, April 8. There will be one sitting limited to 120 people at 5:30 pm. The menu will include chicken pie, garden peas, glazed carrots, mashed potatoes, roll and butter, beverage, and grapefruit pudding or jello for dessert. Adult dinner prices are \$7, with children's dinners priced at \$4. Reservations can be made by calling 748-2195 or 763-8423. The church is located at the corner of County Road and

Rochester Assessors' Office

The Rochester Assessors' Office will be closed April 17, 18 and 19. The office will be open Thursday and Friday, April 20 and 21, from 8:30 am to 4:30 pm.

Women's Community Guild

The Women's Community Guild of the Mattapoisett Congregational Church will be on Tuesday, April 4 at 1:00 pm in Reynard Hall. Beverly Hiller will greet; Helen Durfee is the worship leader; Gene Waterhouse and her committee will serve refreshments.

World Friendship chairman Phyllis Howes will introduce ORR High School exchange students Jolanda Hagoort of the Netherlands and Brian Christiansen of Denmark. They will be accompanied by Ms. Claire Flynn, school sponsor of the AFS Program. The students will discuss and answer questions concerning their home land and their American experiences.

Let us share our vital statistics

The most vital statistics in our Certified Nurse Midwifery practice are the close to 1000 babies we've helped into the world during the past nine years at Tobey Hospital. But we're very proud of some other statistics as well.

They're testimony to the unique, supportive care we give each patient.

During the past year:

- We had a cesarean rate of just 9 % (national rate is 25%)
- 87 % of our patients had uncomplicated vaginal deliveries, with minimal intervention.
- 91 % of our patients were able to labor, deliver and recover in a single room setting.

Wareham Obstetrics, Midwifery and Gynecology Certified Nurse Midwives

Helena McDonough, CNM

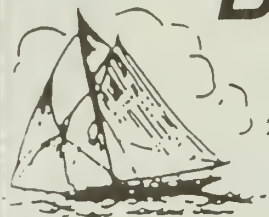

Laura Murphy, CNM

Louise Racine-Bastarache, CNM

For more information or to make an appointment

Mattapoissett Public Library

Preschool Story Hour

Registration for the Spring Preschool Story Hour is now taking place in the Children's Room. The program is for children ages 3-5, and consists of stories, fingerplays, songs, creative dramatics, and simple crafts.

The Spring session will consist of seven programs beginning April 5/7 and ending May 24/26. Children may be registered for the afternoon program on Wednesday from 1:00 to 1:45 pm, or the morning program on Friday from 10:30 to 11:15 am.

Adoptable Animals

Still in the "dog house" this week is "C.J." — a real good-natured husky cross with one blue eye and one brown eye. He is currently being foster cared by a neighbor but desperately needs someone to adopt him. He needs room to run and lots of TLC. C.J. is a good watch dog and loves people and other animals ... a great all-around family pet.

All the hunting dogs advertised here last week have been adopted, but this week we have two adorable beagles and a part-Shepherd dog who is large and mostly black. They can be seen at the Fairhaven Animal Shelter on Bridge Street. Call Chris at 979-4028 for an appointment.

In the cat category this week, the folks at Animal Umbrella have lots of adult offerings which include:

- Two and a half year old gold and white male indoor/outdoor cat (call 758-3055 if interested).
- One and a half year old calico indoor cat (call 999-9452 if interested).
- One and a half year old black fluffy female, who is excellent with children.

have been vet-checked, wormed, and have received their first vaccinations. All adult offerings are spayed and neutered and have also been vaccinated.

New in the lost and found department this week:

- Lost cat in the Cathaway Lane area of

Mattapoisett — a twelve-year-old tiger female with white double paws who's been missing two months now.

- Found in Fairhaven — a very large long-haired black and white female who is extremely friendly with people and other dogs. If not claimed it will be adoptable this week.

The Wanderer would like to remind private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change of living arrangements, new babies, or the like. We'll also gladly help you locate any missing pets in Marion, Mattapoisett or Rochester.

Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6), or mail it to P.O. Box 102, Mattapoisett, MA 02739. *Please note: this is only for those who are giving pets away. Any trades or sales must be placed as a paid advertisement.*

Mattapoisett Native Makes Dean's List

Terence Grant Lewis, the son of Mr. and Ms. Terence G. Lewis Sr. of Mattapoisett, has been recognized by the Dean's List of Distinguished Students at the University of Richmond for the fall semester of 1994. Terence is a sophomore at the University, where he is doing an internship in the Sports Medicine Department towards his certification as an Athletic Trainer.

Old Colony Regional Voke

Spring Crafts Fair

The Old Colony Applied Economics Class, sponsored by Junior Achievement, will hold its First Annual Spring Crafts Fair on Saturday, April 29 from 9:00 am to 4:00 pm on the school grounds. Interested vendors should contact Mr. Sirrico at 763-8011, extension 22, or Mr. Furtado at 994-2345. The project is completely student-funded, and is not a school fundraiser.

Cosmetology Shop

On Thursday, April 13, the Old Colony Cosmetology Shop will be open from 5:00 pm to 8:00 pm. All proceeds during this time will go directly to the Paula Simmons Fund. Anyone interested in making an appointment should call 763-8011, extension 37. Also, any former cosmetology graduate, salon owners, and the like who are interested in volunteering services for this event should call Rita Bretto at the same extension.

School Applications

Applications are still being accepted for the September 1995 freshman class at Old Colony. Any eighth grade students whose parents are legal residents of

ST. JUDE'S NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.

Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank You, St. Jude. T.G.

LEGAL NOTICES

TOWN OF MATTAPOISETT BOARD OF HEALTH NOTICE OF PUBLIC HEARING

Notice is hereby given that the Board of Health of the Town of Mattapoisett will hold a public hearing concerning the proposed adoption of two new regulations regulating installation of subsurface sewage disposal systems at 7:30 P.M. on Tuesday, April 4, 1995 at the Board's office on the second floor of Town Hall, 16 Main Street, Mattapoisett, Massachusetts.

The first proposed regulation would clarify existing regulations to specify that percolation tests performed at a level below the determined maximum groundwater elevation at the property are not acceptable for subsurface sewage disposal permit applications.

The second proposed regulation would institute a variance procedure that would authorize the Board to vary the provisions of the Board's own regulations if it found that there was substantial hardship, and that the variance would not prejudice environmental interests or groundwater protection.

Copies of the proposed text of these regulations are available for inspection at the office of the Board of Health during regular business hours, Monday through Friday, 8:00 A.M. to 4:00 P.M.

February to ask that the question of approving casino gambling in New Bedford simply be placed on the Town Election ballot in April, where it would likely attract the largest number of voters.

The board, however, voted against the proposal and, instead, compromised in favor of a debate and a vote at the Annual Town Meeting in June.

The committee includes Eloise Ricciardelli, Sandra Bilodeau, Christine Parker, Priscilla and Brad Hathaway, Robert Coquillet, William Matthews, and R. William Blasdale, all of whom oppose casino gambling.

The solicitation of funds from the general public to wage an informational campaign about casino gambling

Marion SHARE

The next pickup date for the Marion SHARE program will be Saturday, March 25 between 12:00 noon and 1:00 pm at the Marion United Methodist Church (corner of County Road and Route 105). You may register at that time for the April 22 package or on Monday, April 3 between 11:30 am and 12:30 pm. The cost is \$15 per package (\$1 included for Administration Fee), plus two hours of community service. There is also now a mini package available for \$8 each, with the same requirements. Payments can be made in cash or food stamps — no personal checks, please. For further information, please call 748-0840 or 748-1122.
